Carry On Travel Backpack

Product Features

- **Carry-on Luggage Size:** With dimensions of 21.6*13.8*8.7 in (55*35*22 cm), this backpack meets the carry-on requirements in many airlines. Note: Please check with your airline for size restrictions before your trip.
- **Super Large Luggage Compartment:** With up to 42 L capacity, this backpack will be right up your alley. The main compartment can open like a suitcase, making your trip more convenient.
- **Organized Packing:** Equipped with multiple pockets, it's easy to pack everything in an organized way. You can even put a 15.6 inch laptop into the backpack.
- **Three Ways to Carry:** With the premium shoulder straps, this is a comfortable backpack. The top grab handle makes it convenient to reach for it when you speed out the door for the bus. The side handle turns the backpack to a hand luggage. This meets various needs of business travellers, commuters and outdoorsmen.
- **Breathable and Cozy:** With air mesh on the back panel and the comfortable suspension design, the backpack relieves shoulder pressure to offer you an amazing carrying experience.

Expandable Travel Backpack

Product Features

- **Expandable Capacity:** Unexpanded: 35*20*55 cm (13.8*7.9*21.7 inch); Expanded: 35*24*55 cm (13.8*9.4*21.7 inch). This 38.5~46.2 L travel backpack meets the carry-on requirements in many airlines.
- **Large Cabin Suitcase:** The main compartment can open 180° like a 20 inch suitcase for easy storage and trip.
- **Organized Packing:** This item has a side bottle pocket, two front zipper pocket and two interior zipper pockets in the main compartment. It is also equipped with two compartments compatible with a 12.9 inch iPad and a 17.3 inch laptop. This bag features an anti-theft zipper pocket on the back panel and a card pocket and a sunglass hanging strap on the right shoulder strap.
- **3 Ways to Carry:** This is not only a travel backpack with premium shoulder straps but also a hand luggage. The trolley strap on the back allows you to secure the bag over the handles of a suitcase.
- **Breathable and Cozy:** The air mesh on the back panel and the comfortable suspension design help relieve shoulder pressure. The chest strap can be adjusted to increase the stability of your pack.

Anti-theft Travel Backpack

Product Features

- **42L Large Capacity:** With dimensions of 55*35*22cm (21.7*13.8*8.7 inch), this backpack meets the carry-on requirements of many airlines. With up to 42L capacity, it features multiple compartments and is equipped with two compartments compatible with a 17-inch laptop and a 12.9-inch iPad. The main compartment supports 180° opening like a suitcase for easy travels.
- **Multiple Anti-theft Protections:** The main compartment has a YKK password lock and an RFID safe pocket to protect your information. The laptop compartments have lockable zippers and hooks, and the front and side pockets have fabric anti-theft structure. This backpack can also be secured to a seat or table with the chest buckle.
- **Other protections:** The suspended laptop compartment can prevent damage from bumps and protect your laptop better. A rain cover with storage pouch can help you deal with unexpected weather at any time. The front reflective logo and shoulder straps with reflective stripes can enhance the safety of night travel.
- **Breathable and Comfortable:** The air mesh on the back panel and the adjustable chest straps help relieve shoulder pressure and increase the stability of your pack.
